## Course Description

The Department of Orthopaedics at Indiana University School of Medicine is pleased to present the 2<sup>nd</sup> Annual Lindseth Lectureship through the generosity of the Orthopaedic Residency Alumni. The Lectureship will consist of a full day of talks and case presentations on pediatric orthopaedics presented by the pediatric faculty of Indiana University and other distinguished academic pediatric orthopaedists.

It is our honor to welcome Dr. Scott J. Mubarek of the University of California-San Diego to give the 2<sup>nd</sup> Lindseth Lecture in Pediatric Orthopaedics. Dr. Mubarak is the Director of Children's Hospital's Pediatric Orthopedic Program and Clinical Professor of Orthopedics. Dr. Mubarak is a member of the POSNA Board of Directors and is past president of that organization.

## Course Objectives

At the conclusion of this program, participants should be able to:

- Apply evidence-based recommendations in diagnosis and treatment of neuromuscular disorders, acute compartment syndromes, neonatal brachial plexus palsy, juvenile osteochondritis dissecans, and pediatric foot deformities;
- Discuss controversies in slipped capital femoral epiphysis;
- Explain how to manage hip in cerebral palsy;
- Evaluate and appreciate the role of orthopaedic research on clinical practice and
- Recognize new advances in pediatric orthopaedic surgery.

## Accreditation Statement

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical education to provide continuing medical education for physicians.

## Designation Statement

Indiana University School of Medicine designates this educational activity for a maximum of 4.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any **relevant financial interest or other relationship** with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

## Note

While it offers CME credits, this activity is not intended to provide extensive training or certification in the field.

## Location, Lodging and Parking Information

The lectureship will be held at the University Place Conference Center and Hotel located at 850 W. Michigan Street, Indianapolis, Indiana. Parking is available in their underground garage. For lodging information, contact University Place Conference Center and Hotel at (317) 269-9000. Additional lodging information may be obtained by contacting Indianapolis Convention and Visitors Association at (800)556-INDY.

## Fee

A registration fee of \$50 has been set for this program which includes conference materials, continental breakfast, break refreshments, and lunch. Dinner is not included in the registration fee and may be purchased for \$30 per dinner. Residents-in-training may attend the meeting and dinner free of charge; however, registration is required.

Payment may be made by check payable to Indiana University or by MasterCard, Visa, American Express, or Discover. All registration fees will be refunded if cancellation is made before October 30, 2009.
